**Thank you for your interest in volunteering as a Field Study Guide!**

**Please read the commitment the Arboretum asks of guides, and decide if this is the right opportunity for you:**

- Field Study Guides lead field study programs with elementary school students on week days in the fall and spring, between the hours of 9:30 AM-12:30 PM.
- Each guide is asked to lead or observe a program once a week during each season.
- Training takes place on Tuesdays and Thursdays in April and in September from 10 AM-1 PM.
- The Arboretum asks for a two-year, four season commitment to the training and the programs.
- All volunteers are required to have a CORI check before leading programs.

**Can you answer YES to each of these questions?**

- Are you able to make a two-year commitment to this volunteer position?
- Are you willing to have a CORI check?

**If you answered YES to both questions, please continue with the application.**
